The currency you remit, after conversion, must be more than or equal to the principal amount of the bond you are purchasing. Any excess will be refunded to you in the currency of the bond. All principal and interest payments will be made in the currency of the bond.

**The Israel bonds available and their interest rates quoted in the applicable Final Terms on our website [www.israelbondsintl.com](http://www.israelbondsintl.com) are valid only for the specified issue date.
